## Year 6 Stackpole Residential Trip

What a week it has been for our Year 6 children! They have had a fantastic time away in Stackpole on the Pembrokeshire coast this week. We are eagerly awaiting their arrival home as I am sure are all their families.

They had some amazing experiences, from coastering to mountain biking, rock climbing to rock pooling and so much more. At times, the weather hasn't been their friend but this didn't dampen their spirits. They had a whale of a time!

The trip of course could not have taken place had it not been for the fantastic organisation and leadership of Mr Jewels and of course the help of all the other staff who accompanied the children : Ms Mannering, Ms Noonan, Mrs Blakemore and Miss Matthews. I would like to personally thank them all for giving up their own time to ensure that the children had an experience that they will remember for many years to come. I am sure that everyone will be looking forward to their own bed and an early night after such a jam-packed week.

## Infant Notices

We are rocking into the weekend!

Our corridors were filled with the amazing sounds of Rock-steady this morning.

Keep up this amazing learning!

## Clubs

If your child does a sports club after school, they will be dismissed by the club coach from next week (gym & game on). This will mean that they will be dismissed in their PE clothing and take their uniform home in their bag. Please remember to take the PE kit back into school the following day.

## Junior Notices
