

Year 3 Homework - Summer Term

This term, simply choose any **one** activity to do each week and colour in or tick that box once completed. It is to be handed in every Thursday. You are welcome to do more than one each week, but please make sure you do not run out of activities before the end term.

Maths With the permission of your parents, look inside your kitchen cupboards and fridge for items of food. Measure in g and kg how heavy each one is. Order the items from lightest to heaviest.	Explorer With an adult, explore a new town or village that you have not been to before. Explain what you liked best about it and why. Draw a picture too.	Sport Do some research about a famous sports personality. You may present this as a power point or a fact sheet.	Ecology Can you list 5 ways you can make your house more eco-friendly?
Chatterbox Make a flip book or a pop-up book about the history of the Olympics.	Gardening Skill Grow a plant, tree or a flower. Remember the Queen has said that everyone should grow their own tree.	Bake off! As we are learning about the Stone Age this term, can you make some bread?	Shopping Go into a shop with a small amount of money. Choose something to buy with it. Work out your change before you buy it. Write down what you have bought and also your calculation in your homework book.
Reader Learn a riddle off by heart and perform it to the class. See who can guess the answer when you do so.	R.E. Write a recount of your First Holy Communion day and include pictures too.	Times tables Make a board game which will involve answering times table questions.	Cycle Can you go out for a bike ride one day? Where did you go? What did you see? What part did you like best?
History Make a model of a round house.	Science & D.T. Make your own magnetic compass.	Technology Tell me how technology has improved the world.	Art Visit an art gallery or a museum. Sketch one of the paintings or the artefacts.

Ways to show what you did:

Write a short diary/recount of your experience, create a story board, take photos/videos and bring them in, talk about it to the class, show something you did/made/learned, bring in any notes you made etc. It is up to you.

Thank you for your support in making the children's learning fun.
