Federation Weekly Newsletter

Fantastic home learning

Well done to everyone for completing your first week of virtual learning on Google Classroom. After a few initial teething problems, we are well on our way. It is so lovely to see all the great work and learning experiences that are happening at home, as well as being able to chat with the children. If you haven't managed to log on yet there is still plenty of time. Complete as much or as little as you like. We all miss you very much and cannot wait to see your beaming smiles when we open our doors once more. Until then, keep posting all the lovely pictures in Google Classroom.

We have been absolutely inundated with your work submissions and as result, our shared school Google drive is almost at capacity. We therefore need you to join an individual class. These have now been set up. Having created your Google account already, it should be straight forward to log in again to Google classroom and click on the + at the top right hand side to join this class .

The new codes are as follows.

- 1A parent code oxq7724
- 1T parent code ldteoui
- 2D parent code o6qufut
- 2H parent code zwxaly6
- 3C parent code wklsaw
- 3T parent code dpgal2u
- 4B parent code fuxbzc7
- 4M parent code ode2h3y
- 5J parent code hmkbydb
- 5B parent code g3ukgdu
- 6M parent code osi3tdq
- 6N parent code asbcloz

All work for next week and from now on will be set in this new individual classroom so as to enable more space for storage of files. Please can I also remind you that if you are uploading videos or photos you must have permission of all the children in the pictures.

Thank you for your patience and support in these difficult times . We very much look forward to seeing all your home learning. Please don't forget to email anything that you would like to go on the school website to Mrs Doherty : Debbie.Doherty@ssasinfants.herts.sch.uk

Here is some of our great learning

A special thank you

I would like to say a special thank you to the Mc Mahon family who very kindly donated some old laptops to our school to share with others who do not have these facilities. Your thoughtfulness and generosity is very much appreciated . If you do not have a laptop or means of accessing Google Classroom, please contact the Infant school office and we can make arrangements to help you.

Patience

As we learn to cope in these times, each week will look at a different virtue and try to reflect on them. This week's virtue is patience.

Patience is quiet hope and trust that things will turn our right. You wait without complaining. You are tolerant and accepting of difficulties and mistakes. You picture the end in the beginning and persevere to meet your goals. Patience is a commitment to the future.

Dear God,

Give us the patience we need to help us through these times. Help us to accept the things we cannot change and give us comfort. Amen

Have a lovely weekend.

God Bless.

Mrs Porter and all the staff of SSAS.
