

Nursery: Week 8 of Home Learning

Sharing a Shell

Literacy - Follow the Story Time video of Sharing a shell.

Look to the memo of practising your name and try some of the activities

Physical
See the attached document to see how you can move like different animals of the sea.

Maths
Numbers - complete PPT and practise counting objects and using comparing language

Practise careful counting and touching each object as you count

Communication and Language

Make your own puppets of the characters or print out the ones attached and re-enact the story

Arts and Crafts
Decorate your own shell using a paper plate and attach a photo of yourself for the full effect

Other

Check the Dinosaur Day (1.6.20) memo on Tapestry for some activities to complete about dinosaurs!

R.E

Follow the PPT about Pentecost and make one of the crafts attached.
