

Nursery: Week 9 of Home Learning

Sharing a Shell

Complete
the 'D'
Phonics PPT

Literacy - Watch Mrs Realmuto's story video describing the settings, events and characters - what happens in your favourite story?

Physical
Draw a picture of what you see at the seaside or print out the attached work to make your beach scene by cutting out and sticking the different beach objects.

Maths
Numbers - Practice careful counting and help Mr Cone put the correct sprinkles on the ice cream.

Complete the maths under the sea counting activity. Practise writing those numbers!

Performance Opportunity!
Choose a sea animal song to learn and perform. See attached for ideas.

Arts and Crafts
Make a handprint fish. Can you use different colours to create different patterns?

UW
Experiment with different objects at home to test if they float or if they sink?

R.E
Follow Mrs Cooper's memo about friends and complete the activity.
