

Nursery: Week 11 of Home Learning
The Rainbow Fish

Literacy - Rhythm.
Follow the Memo on Tapestry to look at rhythm, beat and tempo. Developing a sense of rhythm develops early reading skills.

Complete the 'O' Phonics PPT

Experiment
Followed the attached science experiment to have a go at growing a rainbow using pens, kitchen towel and water.

Maths
Shape - We are now focusing on everyday shapes. Complete the activities attached to the shape memo

What shapes can find around the home?

Game
Play a game of Go Fish with cards to become familiar with numbers to 10. You will need an adult to help on your team. See instructions attached.

Physical
Cut out the attached story puppets or make and cut out your own story puppets

Arts and Crafts
Practice colour mixing to make different colours of the rainbow using only red, yellow, blue, white and black.

PSED
Be a good friend and make a friendship bracelet for a friend that you can keep safe until it is safe to give it to them.

R.E
Follow Mrs Cooper's PPT and complete activities to do with Jesus and his friends
