

Nursery 2025/26

Summary of Charges

This a summary of charges that are made for Nursery. These vary depending on your child's pattern of attendance and not all families will incur charges.

However we do ask all our families to sign this form to confirm that our charging system is understood.

Child's Pattern of Attendance	Charges
Morning Nursery (15 hours attendance)	No charge
30 hours with Funding Code	£5 per day to cover the cost for the last session of the day as this is above the 30 hour free entitlement
30 hours without Funding Code	£25 per day (11.45-15.15)
We may be able to offer additional sessions in the afternoons for Morning Nursery children	£25 per day (11.45-15.15)

These charges can be paid through Arbor or by childcare vouchers. We will provide further details on payment in due course.
